Submitted on 28 Mar 2013

HAL is a multi-disciplinary open access archive for the deposit and dissemination of scientific research documents, whether they are published or not. The documents may come from teaching and research institutions in France or abroad, or from public or private research centers.

L'archive ouverte pluridisciplinaire **HAL**, est destinée au dépôt et à la diffusion de documents scientifiques de niveau recherche, publiés ou non, émanant des établissements d'enseignement et de recherche français ou étrangers, des laboratoires publics ou privés.

REVIEWER ACKNOWLEDGEMENT

Open Access

Reviewer acknowledgement 2013

Ségolène Aymé

Contributing reviewers

The editors of Orphanet Journal of Rare Diseases would like to thank all our reviewers who have contributed to the journal in volume 7 (2012).
